This matter having come before the Commission on the Joint Motion to Approve Settlement Agreement between the Respondent, Office of Mine Safety and Licensing (OMSL) and Petitioner as Certificate holder and the members of the Mine Safety Review Commission (Commission) having reviewed the Settlement Agreement filed on or before April 14, 2011 and of record in the matter herein, and the Commissioners being sufficiently advised,

IT IS HEREBY **ORDERED** as follows:

1. The Joint Motion to Approve Settlement Agreement is **GRANTED**;
2. Any formal hearing and pre-hearing conference scheduled and other pre-hearing orders are **CANCELLED**;
3. The **Settlement Agreement** signed by the parties and filed with the Commission is hereby **incorporated by reference** as if reproduced herein in full as a material part of this **FINAL ORDER**. A copy is attached hereto;

5. Failure by the Certificate holder to submit the pre-reinstatement drug test to the Mining Board or other failure to complete the reinstatement process for any reason within ninety (90) days of this Order shall result in revocation for not less than one (1) year from the date of this Order without the necessity of further action or motion by OMSL.

v.

SETTLEMENT AGREEMENT

COMMONWEALTH OF KENTUCKY,
OFFICE OF MINE SAFETY AND LICENSING

RESPONDENT

Come the parties, Petitioner TODD M. HAMLIN (hereafter "Hamlin" or Petitioner"), *pro se*, and the Respondent, the KENTUCKY OFFICE OF MINE SAFETY AND LICENSING ("OMSL" or "Respondent"), by counsel (collectively, the "Parties"), and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him, and the cancellation of the hearing (as it pertains to him) that was scheduled for April 14, 2011, the Petitioner hereby admits that he violated his employer's substance abuse policy, which was reported to the Respondent and resulted in the suspension of his underground miner, surface miner and MET certificates on March 9, 2011. His actions constituted a violation of KRS 351.120. Therefore, Hamlin hereby agrees to the following:

1. The suspension of Petitioner's underground miner, surface miner and MET certificates until such time as his application for restoration of his certificates is accepted by the Kentucky Mining Board (the "Board"), in accordance with KRS 351.120(13), and an additional

A handwritten signature in cursive script that reads "Todd M. Hamlin".

TMH
~~THIRTY~~ (30) ~~TMH~~

~~sixty (60)~~ days thereafter, but in no event shall the initial suspension end sooner than June 27, 2011.

2. The Petitioner's underground miner and surface miner certificates shall be placed in probation for a period of one (1) year from the date Petitioner's initial suspension terminates, as set forth in Paragraph 1, above, subject to all of the remaining conditions set forth herein.

3. The Petitioner's MET certificate shall remain suspended for an additional period of one (1) year from the date Petitioner's initial suspension terminates, as set forth in Paragraph 1, above, subject to all of the remaining conditions set forth herein.

4. During the suspension and probationary periods, Hamlin shall comply with all state and federal mine safety laws and regulations, including the terms of this Settlement Agreement (the "Agreement"). The willful violation by Hamlin of any of said laws or regulations, or the terms of this Agreement, may result in OMSL filing a motion with the Mine Safety Review Commission ("MSRC") to revoke his certificates for the remainder of the probationary period or to permanently revoke them.

5. Hamlin understands and agrees that he shall submit to an 11 panel drug test (which includes buprenorphine, a/k/a Suboxone) twice per month every month during the term of his initial suspension set forth in Paragraph 1, above, and for the first ~~two~~ ^{three (3)} ~~months~~ ^{mo} of the probationary period set forth in Paragraph 2, above (a total of four months), and once every thirty (30) days during the remainder of the probationary period. The twice-monthly tests shall be taken approximately fifteen (15) days apart on or before the 15th day of each month and on or before the last day of each month and the reports of results made as soon as possible. In all instances, it is the Petitioner's sole responsibility to have the tests completed by the above deadlines, at his own expense, whether he is working or not, and it is his further sole

responsibility to ensure that the results of all tests are promptly reported to OMSL. If necessary, the Petitioner can utilize the drug testing program offered by OMSL through its examination system, at his own expense.

6. Hamlin understands and agrees that he shall undergo an evaluation by a certified addiction counselor or other professional familiar with addictive behaviors, to determine if attendance in rehabilitation, counseling or support group programs is warranted prior to the reinstatement of his certificates. The written determination of said professional shall be submitted to OMSL. If the professional determination concludes that the Petitioner should enroll in rehabilitation, counseling or support group programs, he shall do so prior to the reinstatement and shall continue his participation in same during the probationary period or until such time as his counselor certifies to OMSL that Petitioner has completed the treatment and counseling.

7. Hamlin understands and agrees that the report of any positive drug or alcohol test results shall be cause for the permanent revocation of his certificates. During the suspension/probationary period set out herein, if the Petitioner is reported by any employer for violating the employer's drug- and alcohol-free policy pursuant to KRS 351.170(2), the parties agree that the Petitioner's mining certifications will be immediately suspended until such time as a Motion for Sanctions can be filed by OMSL and ruled upon by the MSRC.

8. Hamlin further understands and agrees that he shall not be eligible for certification in any other specialties during the suspension/probationary period.

9. Hamlin further understands and agrees that this Agreement and any final order issued herein by the MSRC will be considered by the Commission to constitute a "first offense", as that term is defined at 805 KAR 8:010, Section 1(13).

10. Hamlin further understands and agrees that in the event he fails to provide the documents necessary for reinstatement before the Board within ninety (90) days of entry of the MSRC's Final Order upholding the Agreement, his certificates will be automatically revoked for a period of not less than one (1) year without the necessity of further Motion or action by OMSL.

Hamlin understands and agrees that he has had the opportunity to retain an attorney to represent him in this matter, but that he has chosen to represent himself. Hamlin further attests that he has carefully read this Agreement (or that the Agreement has been read to him); that he has carefully considered the Agreement prior to signing it; and, that he understands and agrees to its terms and provisions.

The Parties acknowledge and agree that there are no further promises, inducements, representations, or agreements in connection with this Agreement other than those expressly set forth in writing herein.
